*Lodge Leadership Development (LLD)* – November 14<sup>th</sup> at Training Academy, we will be having the Lodge Leadership Development class all day. It's free, and you get the same food as the rest of Training Academy. We also will be selling purple flashes there as well for \$4 a piece. Be sure to sign up online.

### Key 3 Business

**Lodge Staff Advisor** – Great job on Call-a-thon and Haunted Hike. Be sure to push LLD because it's really cool.

**Lodge Advisor** – Communication is key in any big organization, and the same with us. We've been having trouble in the past with keeping our info we give out the same. So, from now on, any printed Lodge forms need to go through Dr. Koehne. Will do his best to get back to you ASAP.

**Lodge Chief** – Again, Communication is key. We need to stay on the same page and keep what we have going out the same to avoid confusion. Got to give a speech about OA to some kids at school the other day. Was pretty chill, and it was fun to get to talk about OA and what we do here.
