This Year's C7 Conclave is Coming Up!

Hold on to your pants, boys and girls, because here comes the #1, Gold Plated, Buckets of fun that is Section C7's Annual Conclave! Now, I can already hear you, "But North Star, hasn't Conclave already happened?" Well, random Scout I just made up, Conclave is on April 22nd, and this Newsletter is released on the 21st of April. So, to me in the past, it still hasn't happened. That doesn't mean I don't know what is happening, however. I assume that the aforementioned

fun buckets are being had, and many people are having fun and a lot of Cheerfulness is being had. So yeah. Anyway, the main event is obviously going to be the Pie in Tyler Harris's face, which each Lodge in the Section are competing for in a Food Drive. Maybe Lowaneu Allanque won (Obviously) and Tyler Harris's face is tasting the sweet pie scented feeling of defeat. You know, the defeat of hunger. Anyway, I'm sure everyone is going to be having a ball out there doing whatever

they're doing and are getting training that will not only benefit the OA as a whole, but our respective Councils as well.

2017 National Jamboree is On the Way!

The 2017 National Scout Jamboree is having its first informational meeting in early May. This is where all of the BSA gets together for 10 days and has loads of fun. This year's will be held at The Summit (Summit Bechtel Reserve) in West Virginia. Activities include Mountain Biking, S.T.E.M., Scuba Diving, White Water Rafting, Rock

Climbing, and much more. Obviously, this kind of event only happens every 4 years, so make sure you don't miss your chance. For more information, contact Dave Bruns at dmbruns@comcast.net.

Are You Part of A Committee?

Everyone needs committees. Congress has them, Cities have them, and so does the Lodge. That's why we need people like you to join up and help run the Lodge! Could you plan some fun in the Activities Committee, or maybe help out the new Ordeals as an Elangomat? The possibilities are endless. But you know what is the first

step to join a Committee? Show up to the coolest most awesome monthly meeting that is the Lodge EBoard. This is where we make all of the big decisions that impact every Chapter in the Lodge. It's really fun, and you can even get the North Star the day of it's release (Which is pretty cool, if you ask me...). So what are you waiting for?

Get down and have some fun in an official meeting environment! You can even carpool with your Chapter if it's too far away. See you there!

So About Last Month...

Yeah. I messed up. Pretty bad. So last month's Newsletter was actually a very early Rough Draft of the finished product. While converting the file to a PDF to print it all, I accidentally converted the earlier version and sent it out to be printed.

As I was sick this last EBoard, I didn't see this, and they were handed out. I am very sorry for that mix up. I didn't mean to start off on the wrong foot. Hopefully this version will show us what this Newsletter can be and what it could do.

Whoops!!!
We're having some technical difficulties.

(Uh, yeah, that's right. Technical difficulties. Very difficult.)
[Further explanation below. I think Yeah.]
